Bible Quran Torah – Pristine Messianism (letters, and letters, with a cross) – A Poem
By Shomit Sirohi

I,

Split,

The line,

Live among the fisherman,

Food among the poor,

Transcendental of experience, Jewish experience,

All among the poor,

Add God’s revenge,

God’s fury,

The insurrection,

In Paris 1892,

Which then

Is a Novel,

In Brown,

Bracket in Brown (Althusser asks phenomenology of the mind).

Messiah, Stone, stone pelt, divine violence, and daily pure violence. (20:I, Jesus’ Bible)
